

## Wk. 10 Practice: Moving Forward

The practice for this week is to name the relational patterns, scripts, traditions, values, and blessings you want to stop, start, or continue to live out or pass down to the next generation.

### Step 1:

- Read 2 Corinthians 5:17
  - The redemptive power of Jesus invites us to lay to rest the things of old and walk into new life by the power of His Spirit. As you look at your genogram, what do you want to stop within your life/family?
  - In your Harvest Home group community, you will be asked to share a word that summarizes what you want to stop. What is that word for you?

### Step 2:

- Read Psalm 78:2-4
  - Whether we knew it or not, God has been at work in our lives and in our families. As you look at your genogram, what do you want to continue in your life/family?
  - In your Harvest Home group community, you will be asked to share a word that summarizes what you want to stop. What is that word for you?

### Step 3:

- Read Isaiah 43:18-19
  - God is up to a new work, not only in the world, but in our lives as well. As you look at your genogram, what do you want to start with your life/family?
  - In your Harvest Home group community, you will be asked to share a word that summarizes what you want to stop. What is that word for you?
